	good video quality 1/3" 380 TV lines CMOS
	Not suitable for use in Wi-Fi environments
	discreet indoor use
	165ft 50m wireless transmission*
	easily connects to your TV

Wireless Monitoring & Observation Security Camera kit

Safety Camera Kit™

Keeping your family safe

wireless transmission

- Use with up to 3 extra Swann Wireless cameras
- 4 channels switchable on both camera & receiver to avoid interference & busy channels

The Safety Camera Kit™ is the ultimate in miniature surveillance for extended range up to 165ft/50m and even better full color video images. The camera and receiver both have switchable channels to ensure you get the best available reception at all times.

Tiny Nanny Cam - Connect receiver to your VCR to watch over and record your babysitter when your child is in their care: gentle and caring? smoking? friends over?

Big time fun – use the 9V battery adapter in the pack (battery sold separately) and strap it to toy cars, bicycles, rockets, remote control helicopters & more.
